I like the young that push the caddie type
Not the kind of daddy like
Iced out with the crispy white tee(ooh wee)
It was the perfect senario
Leo and a Scorpio
That meant that he was freaky like me(ooh wee)
Fell victim to the chemistry
But way to far to let it be
Don't want him to think I'm a tease(ooh wee)

And we goin nowhere
Can you wait for this ooh wee

He made me feel this feelin of
Tinglin in my spine
I never felt before
Don't know why I'm wantin more
The way he's touchin me
How'd he know my fantasy
All I can think about is fire in his?
Am I too young to feel this way?
Old enough to feel this way
Don't want him to think I'm a tease(ooh wee)

And we goin nowhere
Can you wait for this ooh wee

Aint it hard to say no
Lets take it slow
When you get close to the one you love

Aint it hard to say no
When you're all alone
That's when you get close to the one you love

Aint it hard to say no
Don't loose control
When you get close to the one you love

And we goin nowhere
Can you wait for this ooh wee

He like that young and tenderoni type
Chokey piece of plun it's like
Wifey with the bubble blue tee(ooh wee)
Made a promise not to violate
Said that I was worth the wait
With a pocket full of numbers in his jeans(ooh wee)
Felt victim to a D-O-G
Blamed it on some hennessey
He said he thought that I was a tease(ooh wee)

And we goin nowhere
Can you wait for this ooh wee

Talk is cheap and keep it real
He wants somethin he can feel
And he walks up out the door
And let him come on in nomore
The way he's touchin me
Along in my?
All I can think about is fire in his?

Am I too long to feel this way
Old enough to feel this way
Should I let him get what he needs?

And we goin nowhere
Can you wait for this ooh wee

Aint it hard to say no
Lets take it slow
When you get close to the one you love

Aint it hard to say no
When you're all alone
That's when you get close to the one you love

Aint it hard to say no
Don't loose control
When you get close to the one you love

It aint goin nowhere
Can you wait for this ooh wee

It's killin me
Please be patient

It aint goin nowhere
Can you wait for this ooh wee

Can you wait for this ooh wee
