In the parking lot of a 7/11
With a picture of you like a picture of heaven
But my tears fall down upon the wheel
Breaking apart as how I feel
Just how I feel

Cuz I've been shot down
Everybody turn around
To the sounds of my braking heart
Just burn
Everybody take a turn
Light a match under my paper heart
Yeah C'mon

A lonely song plays through the radio
I'm lost with no place to go
And as the moon shines down through my windsheild
Well I look for something real

Cuz I've been shot down
Everybody turn around
To the sounds of my braking heart
Just burn
Everybody take a turn
Light a match under my paper heart

Shot down
Everybody turn around
To the sound of my braking heart
Just burn everybody take a turn
light a match under my paper heart

Why did you go
So far away
Far away
I have to know
If there's a way
This might change
Till then I'll just
Say

That I've been shot down

Everybody turn around
To the sound of my braking heart
Just burn
Everybody take a turn
Light a match under my paper heart
Shot down
Everybody turn around
To the sound of my braking heart
Just burn
Everybody take a turn
Light a match under my paper heart
Yeah
My paper heart
