Verse 1:

I see you looking at me lately
And I can't seem to hide
The loneliness I try
I can't see you thru the madness
Desires locked inside
Were falling from your eyes
And you bring me to life with

Chorus:

One Song one night
Moonlight and a bottle of wine
For the first time
I'm Perfectly Known
Lost in your touch
Facing never wanting to rush this
But right now
I'm Perfectly Known
I don't wanna escape from you

Verse 2:

You never thought I'd throw out resigned
To find out what is true
But for to have bled for you is something new
How can it be so lost
Know exactly where I am
Hold me in your arms

Chorus:

One song, one night
Moonlight and a bottle of wine
For the first time
I'm perfectly known
Lost in your touch
Facing never wanting to rush this
But right now
I'm Perfectly Known

Bridge:

I don't wanna escape from you
(I don't wanna escape from you)
I don't wanna escape from you

I don't wanna escape from you

Chorus:

One song, one night

Moonlight and a bottle of wine

For the first time

I'm perfectly known

Lost in your touch

Facing never wanting to rush this

But right now

I'm Perfectly Known
