If you're going out with someone new
I'm going out with someone too
I won't feel sorry for me, I'll finish this drink
But I'd much rather be somewhere with you

Laughing loud on a carnival ride, yeah
Driving around on a Saturday night
You made fun of me for singing my song
Get a hotel room just to turn you on

You said pick me up at three a.m.
You're fighting with your mom again
And I'd go, I'd go, I'd go somewhere with you
Somewhere with you

I won't sit outside your house
And wait for the lights to go out
Call up an ex to rescue me, climb in their bed
When I'd much rather sleep somewhere with you

Like we did on the beach last summer
When the rain came down and we took cover
Down in your car, out by the pier
You laid me down, whispered in my ear

I hate my life, hold on to me
And if you ever decide to leave
Then I'll go, I'll go, I'll go

I can go out every night of the week
Can go home with anybody I meet
But it's just a temporary high 'cause when I close my
eyes
I'm somewhere with you, somewhere with you

If you see me out on the town
And it looks like I'm burning it down
You won't ask and I won't say
But in my heart I'm always somewhere with you

Laughing loud on a carnival ride, yeah

Driving around on a Saturday night
You made fun of me for singing my song
Get a hotel room just to turn you on

You said pick me up at three a.m.
You're fighting with your mom again
And I'd go, I'd go, I'd go

Can go home with anybody I meet
But it's just a temporary high 'cause when I close my
eyes
I'm with you
