I went looking for trouble and boy - i found her

She's in love with herself - she likes the dark
On her milk white neck - the Devil's mark

Now it's all Hallows Eve - the moon is full
Will she trick or treat - i bet she will
She will - happy halloween - baby

She's got a date at midnight - with Nosferatu
Oh baby, Lilly Munster - ain't got nothing on you

Well when i called her evil - she just laughed
Well cast that spell on me - boo bitch craft

Yeah you wanna go out 'cause it's raining and blowing
You can't go out 'cause your roots are showing
Dye em black - dye em black

Little wolf skin boots - and clove cigarettes
An erotic funeral - for witch she's dressed
Her perfume smells like - burning leaves
Everyday is halloween

Yeah you wanna go out 'cause it's raining and blowing
You can't go out 'cause your roots are showing
Dye em black - dye em black
