

## Type O Negative "Bright Eyes"

I know that you can't hear  
My mind is screaming your name  
Your smiles that crushes my chest with the waves of  
With the waves my dreams  
I curse myself for looking your way  
With the waves of  
With the waves my dreams  
I curse myself for looking your way  
I can never tell if our eyes are meeting  
My heart is racing, what are we avoiding  
I must be dreaming  
I can never tell  
Lying face to face  
Your bright eyes cradles me and I'm  
Wishing you're here when I wake up  
Is this too much to ask? Or is this enough  
If this is a dream then I don't want to wake up
