She burned me down down to the ground
She burned me down down to the ground

Blood flow thicker than water is harder to clean up
You'll get it in the end, boy, if your weapon of choice is
love
Expecting it from a stranger or maybe an acquaintance
Never from family or friends though, a simple mistake
and expense

She burned me down down to the ground
She burned me down down to the ground

Pissed and disappointed I pray to learn to forgive
If I can't find this in my heart then I have no reason to
live
Here is an education the lesson professed is quite
cruel
There are somethings that are worse than death and
one of them is you
Which one of them's you?

Every time I see her start a fire, I get higher
Every time I see her start a fire, I get higher
Every time, yes, every time I see, I get
Every time I see her start a fire, I get higher, higher

Every time I see her start a fire, I get higher
Every time I see her start a fire, I get higher
Every time, yes, every time I see, I get
Every time I see her start a fire, I get higher, higher
