Am I boring you out?  
Am I disturbing your pace?  
Did I break anything on you?  
That would drip down your sail?  
Did I troubled your life?  
Did I make you aware?  
You've said you know it all  
And I do hope you're right.

I'll write all the things you are today,  
And it won't be easy cause it will bother your will.  
I'm sorry for caring for you,  
I'm sorry... and it hurts... falling for you...

She wont understand,  
She puts her mind on what she knows,  
She wont know anything,  
She wont know everything

You are breaking me out  
You don't have a chance too feel,  
Your words tear a thousand pieces and it falls all over  
me.  
Can we make up for it? you wont make up for me.  
You go on your way and listen to things that you want to  
hear...

I'll write all the things you are today,  
But it won't be easy cause it will bother your will.

She wont understand,  
She puts her mind on what she knows,  
She wont know anything,  
She wont know everything

She knows...

I'm sorry for caring for you,  
I'm sorry... and it hurts... sorry...
