Say the word and I'll be healed  
Open house, grease my wheels  
Since my vision's been restored

Trip me once, shame on you  
Trip me twice, I'm the fool  
Thought it's hidden I've been cured

Patience is divine but the virtue is not mine  
Turn your cheek it's ripped off  
That's why we're giving for

This is how you spend life  
Amused by another's strife  
Makes me so sad and confused

Someone's pain your leisure  
Can't explain sick pleasure  
I'm so glad I'm not you

Patience is divine but the virtue is not mine  
Turn your cheek, it's ripped off  
That's why we're giving for

Throwing wrenches gave a false sense of power  
What started sweet will soon turn sour, oh so sour,  
yeah  
You think it's your place to dispense justice  
Well, I've been sent to judge the judges  
You're damn well, so well

Goddamn love 'cause it's breaking my heart  
And if I had one wish, I'd see in the dark

Tripping a blind man  
(Tripping a blind man)  
So easy to do

Tripping a blind man  
(Tripping a blind man)  
Why can't it be you?

You want to play God and I know you will  
If that's the case, I'll be the Devil, oh, oh, oh yeah

Now who the fuck are you to discipline me?  
Innocence condemned by the guilty, oh, oh, oh

Goddamn love 'cause it's breaking my heart  
And if I had one wish, I'd see in the dark

Tripping a blind man  
(Tripping a blind man)  
So easy to do

Tripping a blind man  
(Tripping a blind man)  
Why can't it be you?

Losing grip on his seeing dog's spikey collar  
Panicking, the startled pet ran to the street  
Sanitation truck skidding, unable to stop  
Shoveled up what was left of his canine spot, canine  
spot

As they left, the ground turned muddy crimson  
"Where's my mutt?" The victim re-questioned  
Ems responded, "He has to say bye"  
Teary eyed, the old man cried then died, he died

Died, died, died  
Died, died, died

Patience is divine, the virtue is not mine  
Turn your cheek it's ripped off  
That's why we're giving for

Patience is divine, the virtue is not mine  
Eat your lies, peace is nice
