I make a call, so far to fall
Restless craving,
Inundating
The summer snow,
But it's not cold
Once it's tested,
Thus infected
I've lost myself again
I've lost myself again
It's a nightmare,
But it's clear
It will end, but then?
The break of day,
I rot away
With every breath,
I pray for death
Let me say
Pepsi Generation
A few lines
Of misinformation
Watch your money
Flow away oh so quick
To kill yourself properly,
Coke is it! make a call - so far to fall
Restless craving - inundating

The summer snow - but it's not cold
Once it's tested - thus infected

I've lost myself again - i've lost myself again
It's a nightmare - but it's clear - it will end - but when

The break - of day - i rot - away
With every breath - i pray - for death

I've lost myself again - i've lost myself again
It's a nightmare - but it's clear - it will end - but when

Let me say pepsi generation
A few lines - of misinformation
Watch your money flow away oh so quick
To kill yourself properly coke is it

I've lost myself again - i've lost myself again
