Take turn take turn take turn

Periodic tableware

Psychotropic science fair

But who will, save the sane

Some beings just can not change

Now crawl on by, a fake tear in your eye

And think isn't he strange

(Va va va)

Pseudogasmic chemistry

Necromorphic apathy

But who will, save the sane?

Some beings just can not change

Now crawl on by, a fake tear in your eye

And think isn't he strange?

Physical laws unapplied hamper my, quest

Unsurreal world of unfailed, H.I.V. tests

Der ubermensch warning of pi techno junkies

The three point one four one five nine two six five three

Come on boy

Tell me tell me

Tentative ambulance date bound for G-ward

Beartrap psychiatrist bait, chew my paw, off

Unmercilessly we will take you away to slumber

But only if you can recite Avogadro's number

Come on boy

(Come on boy)

Tell me tell me

But who will save the sane

Some beings just can not change

Now crawl on by a fake tear in your eye

And think isn't he strange?

Now crawl on by a fake tear in your eye
And think, wasn't he strange?
