So what's the point in all of this
When you will never change
The days have pass, The weather's changed
Should I be sorry Could I be sorry

I did it all, all for you
Hoping you would see
Your eyes are dull, your hands are clenched
Are we ready? Are we ready?

But you, you think about yourself
Only but yourself
But what about...

Un-lonely nights
Romantic moments
The love, the love
What about them?
Throw it all away

You know me well, You know it's wrong
Then what is it you feel?
You hide behind those perfect smiles
It won't fool me, cause you already did

I did it all, all for you
Hoping you would see
Your eyes are dull, your hands are clenched
Are we ready? Are we ready?

But you, you think about yourself
Only but yourself
But what about...

Un-lonely nights
Romantic moments
The love, the love
What about them?
Throw it all away

The perfect dates

The sweetest kisses
The love, the love
What about them?
Throw it all away

So what's the point in all of this
When you will never change
The days have pass, The weather's changed
Should I be sorry Could I be sorry
