(Captain)

Ladies and gentlemen,  
this is Captain Tobias Willcock  
welcoming you aboard Coconut Airways Flight 372 to  
Bridgetown, Barbados.  
We will be flying at a height 32.000 feet,  
and at an air speed of approximately  
600 miles per hour. Refreshments will be served after  
take-off.  
Kindly fasten you safety belts and refrain  
from smoking until the aircraft is airborne.

Woh  
I'm going to Barbados  
Woh  
Back to the palm trees.  
Woh  
I'm going to see my girl friend  
Woh  
In the sunny Caribbean sea.

I don't want to be a bus driver all my life.  
I've seen too much of Brixton town in the night.  
Fly away on Coconut Airways  
Fly me high, Barbados sky.

I look up the sky and I see the clouds.  
I look down at the ground and I see the rain go down  
the drain.  
Fly away on Coconut Airways  
Fly me high, Barbados sky.

Woh  
I'm going to Barbados  
Woh  
Back to the palm trees.  
Woh  
I'm going to see my girl friend  
Woh  
In the sunny Caribbean sea.

Far away from London Town and the rain  
It's really very nice to be home again.  
Mary Jane met the Coconut Airplane.  
Now I know she loves me so.

Woh  
I'm going to Barbados  
Woh  
Back to the palm trees.  
Woh  
I'm going to see my girl friend  
Woh  
In the sunny Caribbean sea.

(Captain)  
Ladies and gentlemen,  
we are now commencing our approach to Bridgetown  
Barbados.  
The weather is fine with a  
maximum temperature of 90 degrees Fahrenheit.  
The sky is blue and the palm trees are really cool.  
Captain Willcock and his  
crew hope you have had a pleasant flight,  
and that you will fly Coconut Airways again.

Woh  
I'm going to Barbados  
Woh  
Back to the palm trees.  
Woh  
I'm going to see my girl friend  
Woh  
In the sunny Caribbean sea.

(repeat till fade with following dialogue)

(Captain)  
Bridgetown traffic control from PAPA INDIA 372,  
requesting commense approach on ILS

(Bridgetown traffic control)  
Oooh! PAPA INDIA 372 from Bridgetown traffic control,  
cleared for ILS approach, proceed on flight level 30,  
the aircraft is 10 miles from threshold and closing,  
contact ground taxi control on 127 decimal 9.  
How's it goin brother? Cool?

(Captain)  
Really cool, really cool man!  
We'll be coming down to see you in a minute! OK!
