FrÃ¡ndir teir Ãi skÃ³gin rÃ°a
ViÃ° so gÃ°um treysti
SÃ³u brenna heitan eld
Og hartil fagnar kostir
VÃtt um vegir gyltnir hjÃilmar syngja
StÃga Ãi sÃnar hestar teir springa
Hoyrast kundi langan veg sum teirra sporar ringja
VÃtt um vegir gyltnir hjÃilmar syngja

If we live and we die, it it's based on a lie
So we come, we go, who knows just why

Places I've seen in decay
Things that I've known fade away
People I know never stay
Things that I am yesterday

FrÃ¡ndir teir Ãi skÃ³gin rÃ°a
ViÃ° so gÃ°um treysti
SÃ³u brenna heitan eld
Og hartil fagnar kostir
VÃtt um vegir gyltnir hjÃilmar syngja
StÃga Ãi sÃnar hestar teir springa
Hoyrast kundi langan veg sum teirra sporar ringja
VÃtt um vegir gyltnir hjÃilmar syngja

One thousand years facing your fears
Hide all your doubt deep in the crowd
Unload the blame cover the shame
Cast it all out try to stand proud

FrÃ¡ndir teir Ãi skÃ³gin rÃ°a
ViÃ° so gÃ°um treysti
SÃ³u brenna heitan eld
Og hartil fagnar kostir
VÃtt um vegir gyltnir hjÃilmar syngja
StÃga Ãi sÃnar hestar teir springa
Hoyrast kundi langan veg sum teirra sporar ringja
VÃtt um vegir gyltnir hjÃilmar syngja

If we live and we die and we live and we die
If we live and we breed our kin to succeed

So we come we go and leave our seed

The great wings of time are still in their prime
Maybe in some age to come we shall see
The talons of time take hold of a tree
Time folding it's wings, the end of all things

Frændir teir Ái skögin róa
Við so gömum treysti
Söu brenna heitan eld
Og hartil fagar kostir
Vatt um vegir gyltnir hjáilmar syngja
Staga Ái sagnar hestar teir springa
Hoyrast kundi langan veg sum teirra sporar ringja
Vatt um vegir gyltnir hjáilmar syngja
