Ohhhhh uh huhhhh

I love you more than life it's self we've been together  
going 5 long years...

you know it ain't perfect someone always hurting but I  
hate picturing you with some one else so I stuck by  
hoping things would change I soon discovered its a big  
mistake cus it only got worse and now it's just a burden  
that I don't wanna carry no more.....

so I gotta go you gotta go your way ask anyone you  
can't control these things no this time I'm leaving and I  
really mean it it ain't that I don't love you no more
