It's gon be a long night
(Before we get it started)
You tuned off your phone, right?
(You know when we get it started)
You're not going home tonight
(I can't wait to get it started)
This gon be a long ride
(You're ready cause I'm ready baby)

I don't want your love, no
You know why I'm here, no
You know what to do
Come whisper in my ear
You do what I like
And you like what I give
You love what you get
When you're fulfilling my wishes

It's your body on my body
Lips on me like whoa
It's your body on my body
All I want from you

[Chorus] x 2
I just want your sex, sex, sex
Because it is the best, best, best
And the answer is yes, yes, yes
To whatever you ask me tonight

And I'm gon get as much as I can get
Yes I'm gon get as much as I can get, tonight
And I'm gon get as much as I can get
Yes I'm gon get as much as I can get, tonight

I just want your love, I know what I say
But listen to me now, just give me what I need
You say I'm a freak, but I say I'm a feen
That means that I want your body
More than anything
I don't want your time, let's make this night free
(I'll be pleasing you while you're making me scream)

I'll be touching you while you'll be touching me
We ain't been asleep but it's feeling like a dream

It's your body on my body
Your lips on me like whoa
It's your body on my body
All I want from you

[Chorus] x 2
I just want your sex, sex, sex
Because it is the best, best, best
And the answer is yes, yes, yes
To whatever you ask me tonight

And I'm gon get as much as I can get(much as I can
get)
Yes I'm gon get as much as I can get, tonight (oh)
And I'm gon get as much as I can get
Yes I'm gon get as much as I can get, tonight

I don't wanna leave, I just wanna be
Wherever you are as long as you're touching me
I don't want no feelings, I just want the feeling
So can you feel it, baby can you feel it?
(Baby) Baby can you feel it

I'm gon get as much as I can get, oh baby, tonight
I'm gon get as much as I can get, oh baby

I just want your sex, sex, sex
Because it is the best, best, best, tonight.
