Now's the time to start all over,
Now's the time to make it new
You're the one who did me over,
You're the one who wasn't true
Gonna shout it out to you
Gonna make it shine so bright
Wanna make it clear to you

Would do anything, anything...

Gonna shout it out to you
Gonna make it shine so bright
Wanna make it clear to you

I would swim the oceans,
Take away the clouds
Sit in silence, cry out loud
I would be your beggar, be your king,
I would do anything

It's a way I bring to you now,
It's a way we'll have to go
Otherwise we won't get through babe,
Otherwise it's just a show

Gonna shout it out to you
Gonna make it shine so bright
Wanna make it clear to you

Would do anything, anything...
