Break loose from your chain  
Let the end begin. Unleash the beast within  
You need, you can you will!  
Hate runs through your veins  
The fuels that feeds your flame.  
Time to act, dressed in black  
Arm yourself for the coming attack  
Hell has broken loose  
There's no time to loose  
Pure hate, hells fury, Armageddon!  
- Are you ready?  
One by one, into the wheels that grind  
Total death, nothing will be left alive  
The end of the world has begun!
