Naw for real man,
It's like everytime I run into a girl
She just wanna sit up and tell me about her man treatin'
her
This is what I told one girl
When you get lonely at night (holla)
Call me
I'll be right there
(I'm the other mean, I'm the other man)
I'm the other man (for your woman)
When you need someone to talk to
You know just what to do
Pick up the phone and call me
(I'm the other man, I'm the other man)
I'm the other man (with your woman)
When he ain't lovin' you right
Call on Tyrese it's alright
I'm a give you what you missin'
(I'm the other man, I'm the other man)
I'm the other man (with your woman)
Does that make you less of a man
To walk down the street
Holding you woman's hand?
(I'm the other man, I'm the other man)
That's why, I'm the other man
I'm the other man
(Yeah, Yeah, yeah Get your life together)
(cuz she's gonna keep on coming my way Yeah)
