"Knight Of Darkness"

I rode into the valley, destruction in my heart
I had a plan of hatred, to tear them all apart

CHORUS:

'Cause I'm the knight of darkness, and I've come to call
I'm the knight of darkness and you're going to fall

I slaughtered and I killed, 'till my task was through

I've buried all the dead, there's nothing left to do

CHORUS

I am the knight of black, and I carry a blood sword
I ride for the dark force, and fight for my lord

CHORUS

Fall, kill. Fall, kill. Fall, kill. Fall, All
