You know, you know, you know  
The time to take you is now, yes it's now!  
Legions of the dead

Preachers in the alley born to the night  
You will see him under the red light  
Join hell's legions six feet under ground

CHORUS:

Legions of the dead, legions of the dead, legions of  
the dead  
Legions in hell

Beyond the black, deep in the pit

A life of light you'll soon forget  
You will be on the cross, you'll burn in the fire

CHORUS

The time to take you is now, yes it's now  
Legions of the dead

Put your fist up in the air  
Life can't stop you if you dare  
The legions of death are awaiting you  
This is the one thing you must do

CHORUS
