"Listen To The Preacher"

Visit "[Listen To The Preacher](#)" on MotoLyrics.com

You've heard him preach for a thousand years
About a fate that's sure to come
So listen now to the words I say
Because if you don't you're dumb
A rising force shall come to us from a cold forbidden
place
It will come in the form of man, and never leave this
place

CHORUS:

Listen to the preacher, don't turn your back on him
Listen to the preacher, he's the only hope we've got
Tribulations, manifestations, miracles from the sky
You will witness crucifixion, but they will never die!

CHORUS

This demon, this tool of Satan
We must see him we can't be blind
People will follow with blind ambition
They will take his mark and lose their mind

CHORUS
