Let me start by sayin' that your the one
Cause' this the first time I felt like this playas' done
(ohh)
Your the only number that I dial (fuck them other
chicks)
Your the only sex I'm gettin' now (ain't that a trip)
But it don't matter (cause' your wit it)
And it don't matter (but then I get it)
Cause' your the only one

[1]

Imma' be good with just one girl
One girl
That's all I need
Imma' be straight with just one crib And two whips
Cause' I'm grown and that's all that I need
Is one ghetto girl to make my babys with
One ghetto girl I'm shakin' all of my chicks
That's why I'm down on one knee with one ring
Baby all I need is one

Ain't nothing gonna stop me from lovin' you
And wife'in you
Spendin' all my life with you
Baby
I'm so committed
This one on one I'm with it
Its so damn good
All the sex you want without no hat (imagine that)
Got a real nigga that's gon' have your back (imagine
that)
That's just the way it is
And that's just how it's gon' go
And you gon' be that one

[1-repeat]

Girl I ain't gonna front about it down and tell the truth
about it (way gone)
Way gone
Ain't nothing I wont give up just to make you that one

Baby that one girl

One step
One girl
One love
One name
So it's one me
One ring
One church
And one preacher
One promise
Two little words

[1-repeat]

Just one
One girl
One girl
Baby all I need is one (all i need is one)
One girl (one)
One girl (baby your the one)
Baby all I need is one
One me
One ring
One church
