Yeah...
Ohh ohh yea...
Oh yea...
Ohh
I just wanna talk to ya for a minute baby
Listen baby

You say you wanna go
Clubbin with your friends
And I should roll out with my niggas
Tonight I'm feeling something different baby
Like the two of us doing a little something together

(Ooohh)
I'm not talking about the movies baby
(Ooohh)
Or going to an expensive restaurant for a fancy meal
(Ooohh)
Why don't we spend this evening lady
(Something we both can feel)
Doing something we both can feel

Straight
(Straigh fucking)
Oh baby girl oh yea yea
(With no interuptions... at all)
Mm yess

(Straight fucking)
Just take it off baby
(I got all your good loving tonight)
All your good loving

Let's take off all our clothes baby
Yea
Light a few candles
And pull back the satin sheets.
I just wanna kiss your sexy body
From the top of your head down to your feet.

(Ooohh)

Tonight is the occasion lady
(Ooohh)
That is so special like a holiday
(Ooohh)
A holiday
(Ooohh)
See I'm tired of explaining baby
There's nothing left to say.

Straight fucking
(Straight fucking)
Fucking baby ohh
(With no interruptions at all)
With no interruptions baby at all baby

(Straight fucking)
Oh yea just take it off
Take it all off baby
(I've got all of your good loving tonight)
Wow
All your good loving baby

(Straight fucking)
You know what I want and you know what I need baby
(With no interruptions at all)
I need your sexy body

(Straight fucking)
All night long just loving me
(I've got all of your good loving tonight)
Yea

(Ooohh)
I'm not talkin about the movies baby
(Ooohh)
Or taking you out on the town to a fancy restaurant
No oh no

See I just wanna give you baby
(Ooohh)
Everything everything you want
Wow

(Straight fucking)
Straight fucking baby
Wow
Do you know what I mean
(With no interruptions at all)
Just take it off
