

## Tyrant

### "The Rebirth"

Visit "[The Rebirth](#)" on MotoLyrics.com

Where the fuck has that old feeling gone?

When black was the color we chose

Where the fuck have all the wartimes gone?

When hate was the only word.

The only word we knew

This to the rebirth, reclaim the flame

It's time to raise the dead

Step right up and get some

Follow me to the unholy throne

BLACK METAL

Tyrant calls, the past has returned

Heading north going home

Heading north going home
