[Talking:]

[Verse 1:]

As I walked into the room  
saw u layin on the bed  
my freaky mind started goin places  
that I know its never been

So I had to grab u by the waist  
I was thinkin I should give u a little taste  
but I didnt want to do it in the bed  
girl im feelin real creative  
soooo

[Chorus:]

Lets get freaky by the fireplace, I want your legs wide  
open on top of me  
I want my hands on your thighs starin u in your eyes  
thats how I want it tonight

I know just what your bodys missin now its time to  
recieve  
I want your love legs shakin while your beggin me  
please  
Im goin deeper and deeper starin u in your eyes  
come and ride your unicorn tonight

[Verse 2:]

Baby take my hand  
I wanna take u places in love that I know your  
bodys never ever been  
So sit back and relax im about to become your  
sexual best friend  
As im softly kissin your body u never  
want it to ever end  
Say my name baby  
(girls voice) tyrese  
oooooooooooo

[Chorus:]

Lets get freaky by the fireplace, I want your legs wide  
open on top of me  
I want my hands on your thighs starin u in your eyes  
thats how I want it tonight

I know just what your bodys missin now its time to  
recieve  
I want your love legs shakin while your beggin me  
please  
Im goin deeper and deeper starin u in your eyes  
come and ride your unicorn tonight
