(verse 1)

I've been thinkin' about you baby  
I wanna tell you what's on my mind  
'Cause you been hangin' around me lately

Now I'm reading between the line

(pre chorus)

But I've been waitin' on you  
And you been waitin' on me  
So can we get together in real love ecstasy

(chorus)

'Cause it ain't nothin' like a  
Jones in ya bones  
Ain't nothin' real as the feelin' I feel  
I'm sizing you up cause I know what I want  
You're breakin' me down  
'cause I need you near  
Said it ain't nothin' like a  
Jones in ya bones  
Ain't nothin' real as the feelin' I feel  
I'm sizing you up, cause I know what I want  
You're breakin' me down  
'cause I need you near

(verse 2)

I can see that you're ready, baby  
So won't you tell me what's on your mind  
I've had enough of the games we're playing  
And I've been feelin' to make you mine

(pre-chorus)

(chorus) 2x

(bridge)

It's time I express to you the joy you bring  
When we're together,  
can we be more than friends I need to know,  
This waitin' is driven' me crazy (repeat chorus and  
fade)
