Can somebody tell me what's goin' on?  
Getting tired of fake, rich wannabes  
Running up my card, spending my money  
Acting all smart, with no degrees

Don't like my friends 'cuz you're too bougie, yeah  
Never wanna go to an R&B, Hip Hop show  
(Never wanna go to see hip hop)  
It's funny but I had more fun when I had no dough  
I need a girl from the ghetto

I need an all ghetto girl  
I need a bad motha with designer toes  
Tattoos and golds, straight up ghetto  
Don't matter if I ain't got no dough  
She's gonna be my boo, gonna be my crew, oh, ghetto  
girl

I need a girl from BK or the boogie down  
Compton Long beach or maybe Chi-Town  
The ATL or the Dirty South  
She can be from Watts 'cuz that's my part of town, hey

Never wanna go to an R&B, Hip Hop show  
She's acting up but it  
Funny but I had more fun when I had no dough  
I need a girl from the ghetto

I need an all ghetto girl  
I need a bad motha with designer toes  
Tattoos and gold, straight up ghetto  
Don't matter if I ain't got no dough  
She's gonna be my boo, gonna be my crew, oh

I need a girl named Lakeisha, Tonya, Tameka,  
Tawanda  
Rasheeda, Ashonda, Shaneiqqa and Shonda  
Karen, Pam, Tina, oh, damn Brenda, Kenya and Natalie  
Oh, Kenya, you do it for me

Never wanna go to an R&B, Hip Hop show  
Never wanna go see hip hop

It's funny but I had more fun when I had no dough  
I need a girl from the ghetto, oh, yes, I do, baby

I need an all ghetto girl  
I need a bad motha with designer toes  
Tattoos and some gold, straight up ghetto  
Don't matter if I ain't got no dough  
She's gonna be my boo, gonna be my crew, oh

I was sitting up, talking to this girl one day  
Ghetto, ghetto and this is what she told me  
She said, "Tyrese it don't matter if you NBA, NFL or you  
sing  
You gotta buy me everything"

And I told her back in response  
"When I met ya, you had a bucket  
Your 2 dollars is what ya stuck with  
You're high maintenance, I'm not feeling it

Baby girl, go on, gone up  
Out of here with all that drama  
She's gonna be my boo, gonna be my crew, oh, ghetto  
girl  
I need a girl from the ghetto

I need an all ghetto girl  
I can take you anywhere I go  
I would like a ghetto girl  
Don't matter if I ain't got no dough  
(Said it's all about my baby from the ghetto, I know this)

I need an all ghetto girl  
I said, "Yeah", I said, "Yeah"  
Baby, baby, baby, baby  
Don't matter if I ain't got no dough  
She's gonna be my boo, gonna be my crew, oh, ghetto  
girl
