Something about the way, words to describe who I  
cannot say,  
I'm going outta my mind thinking of you at times,  
Cause you make me feel so wonderful.

My heart is willing, won't you stay with me.  
Promise to me love for always.  
You know there's nothing, I won't do for you.  
I want you in my life, for always.

You were made for my touch,  
No one but you ever loved me this much.  
You are one of a kind, someone I'm truly blessed to  
find.  
So much happiness I found with you.

My heart is willing, won't you stay with me.  
Promise to me love for always.  
You know there's nothing, I won't do for you.  
I want you in my life, for always.  
Baby you, have taken your love and made a dream  
come true.  
I find it in you.  
Promise me, you'll stay with me, ever and always.

My heart is willing, won't you stay with me.  
Promise to me love for always.  
You know there's nothing, I won't do for you.  
I want you in my life, for always.

Don't you take your love away.

My heart is willing, won't you stay with me.  
Promise to me love for always.  
You know there's nothing, I won't do for you.  
I want you in my life, for always.

(To do whatever it takes to keep you, baby)  
(I'll be there for you, always baby)

I'll love you for always.
