but i cant leave you alone  
cuz i want you babe

i want to be the only man  
and maybe later on

and get on it babe  
but for now its gettin late baby  
so if i sound crazy baby

your my main baby im just talkin  
girl i cant help it girl i cant help it  
when you walked by i just had to touch your body  
girl i cant help it girl i cant help it  
lookin so good lookin so fine i just had to know what  
you feel like  
sorry if a nigga makes you mad lil shorty  
girl i cant help it girl i cant help it

so somebody gonna rub against your body

i want to be the only man  
and maybe later on

and get on it babe  
but for now its gettin late baby  
so if i sound crazy baby

your my main baby im just talkin
