Ohhhh, do I got a story to tell,
An unexpected one.
Ohhhh, woke me out of my sleep one Sunday morning,
I said who's at the door, she repeating housekeeping,
housekeeping.
I thought the sign on the door said do not disturb.
I had to stop myself from getting mad after I seen her.
I couldn't believe my eyes, she had a sexy something
bout her,
Made me wanna give a try, but I know it's the hotel
policy,
And I'll be breaking all the rules if I let her get a piece
of
me.

[Chorus:]

Can somebody tell me why housekeepin' got me going
crazy?
She got the best of me and I just can't explain(I gotta
make my
move baby).
Can somebody tell me why housekeepin' got me going
crazy(housekeepin', housekeepin')?
Something about the vibe that made me wanna stay.

Now I'm just here for a few more day, so what we
gonna do about
this problem baby.
I can leave my key at the front desk, and you can take
stairway
to get up to my room.
She looked me straight in the eye, and I can't deny, this
is a
crazy situation,
But I'm a sit back and enjoy the ride.
I gotta thing for you, you gotta thing for me,
So we can do whatever we wanna do baby,

Can somebody tell me why housekeepin' got me going
crazy?
She got the best of me and I just can't explain(I gotta

make my
move baby).
Can somebody tell me why housekeepin' got me going
crazy(housekeepin', housekeepin')?
Something about the vibe that made me wanna stay.
