Oooooooh oh no, no Yea Yea...

I ain't tryna walk into an emty house
and end up on the couch by myself no (no)
And I ain't tryna be starin' at the t.v.
with no home feeling hungry wit no home cooked meal,
And I ain't tryna be callin' ya name wonderin' where you
at
cause I know that you ain't upstairs,
And I ain't tryna be reckon' my brain goin' back and
forth
thinkin' bout how I gotta change...

[Chorus:]

This ain't no game cause I ain't playin' girl
it's you and me girl that's how we be girl,
and I'm gon' change and I'm for real baby
can't do without you lady,
baby your my world,
I ain't tryna be without you
and I don't care what I gotta do
girl i'll do anything and i'll go anywhere
cause ain't nothin' workin' without you baby
I ain't tryna be without you
and I ain't tryna be the who's
makin' you unhappy cause if you're unhappy
then I know I ain't tryna hard enough
gotta try harder for you,

I ain't tryna be hangin' in the streets, up in the club
sippn' on patron with my flirt on,
and I ain't tryna be sneakin' home
wonderin' what to say when you ask
why I smell like fresh soap,
and I ain't tryna be lyin' and hidin' the truth
decievin' you that's that old shit I used to do (no)
and I ain't tryna be scared of my own cell phone no
more
I ain't tryna piss you off

[Chorus:]

This ain't no game cause I ain't playin' girl

it's you and me girl that's how we be girl,
and I'm gon' change and I'm for real baby
can't do without you lady,
baby your my world,
I ain't tryna be without you
and I don't care what I gotta do
girl i'll do anything and i'll go anywhere
cause ain't nothin' workin' without you baby
I ain't tryna be without you
and I ain't tryna be the who's
makin' you unhappy cause if you're unhappy
then I know I ain't tryna hard enough
gotta try harder for you,

If I don't get it right the first time
baby please believe me imma try it again
if and I don't care if it takes me a lifetime
I swear to GOD imma fight till the end
as long as I'm on earth
I'm gonna keep my word
girl i'll do what ever it takes
to prove to you that I'm a changed man
this some foul shit but I won't do it again,

[Chorus:]

I ain't tryna be without you (baby)
and I don't care what I gotta do
(I don't care what I gotta do)
girl i'll do anything and i'll go anywhere (baby)
cause ain't nothin' workin' without you
(cause ain't nothin' workin')
I ain't tryna be without you (no no)
and I ain't tryna be the one who's (ya ya)
makin' you unhappy cause if you're unhappy
then I know I ain't tryna hard enough
gotta try harder for you
gotta do better girl
ima be tryin'
gotta do better girl
or ima be cryin'
