It wasn't my fault  
You had to leave  
Now I can't go on  
Please tell me, would you coming back?  
I love you

I thought missing you was only for today  
I thought needing you would go away  
Why do I see you in everything I do?  
Why does the sunshine remind me of you?

I can't go on baby, the feeling is lonely  
I can't go on baby, feeling I need you in my life  
I can't go on baby, the feeling is lonely  
I can't go on baby, feeling I need you in my life

Is there anyway you could love me once again?  
Gotta find a way to bring back my best friend  
I'll sing a song for you with the sweetest melody  
Please tell me how I'll find my baby  
'Cause I can't go on, no no no

I can't go on baby, the feeling is lonely  
I can't go on baby, feeling I need you in my life

I can't go on baby, the feeling is lonely  
I can't go on baby, feeling I need you in my life

You make me feel like I can do anything  
Now I'm half the man without my baby, oh oh

I love, I love you  
I love, I love you  
I love, I love you  
I can't go on

I can't go on baby, the feeling is lonely  
I can't go on baby, feeling I need you in my life  
I can't go on baby, the feeling is lonely  
I can't go on baby, feeling I need you in my life

I can't go on baby, the feeling is lonely

I can't go on baby, feeling I need you in my life  
I can't go on baby, the feeling is lonely  
I can't go on baby, feeling I need you in my life

Oh oh  
I can't go on, no no baby  
That I will always love you
