Yo, I wanna go there.  
I wanna take you there, just be ready.

*[verse 1]*

Sit back and relax let me do my thang, I'm about to go  
there for that old time swang.  
Anything that you want anything you desire babe just  
let me know cause you light my fire lady.

I can tell that you want me tonight, all I came to do is  
make it right,  
Let's get sweaty in front of the fireplace.  
(It's on, bring it on, cuz I'm ready.)

*[Chorus]*

I wanna go there with you and do all the things no one  
would do.  
I wanna go where no one has been, I wanna go there  
withchu.  
(I wanna go there.)  
I wanna go there with you and give you  
everything you need me to.  
I wanna go where no one has been, I wanna go there  
withchu.  
(I wanna go there.)

*[Verse 2]*

Girl I know that this is new but keep an open mind.  
After I do this once your gonna want it all the time.  
Girl you got me babe, long as you keep it real.  
I see you like the appetizer here's the main course  
meal.

I can tell that you want me tonight.  
All I came to do is make it right.  
Let's get sweaty in front of the fireplace.  
Your all I want and need.

*[Chorus]*

I wanna go there with you and do all the things no one would do.

I wanna go where no one has been, I wanna go there withchu.

(I wanna go there.)

I wanna go there with you and give you everything you need me to.

I wanna go where no one has been, I wanna go there withchu.

(I wanna go there.)

*[Bridge]*

The temperature is right and all I came to do is make you feel alright.

Cause I came to please your body please your body.

The way that we made love made me forget that it was me and your first night.

And I wanna go there, I wanna go there.

*[Chorus]*

I wanna go there with you and do all the things no one would do.

I wanna go where no one has been, I wanna go there withchu.

(I wanna go there.)

I wanna go there with you and give you everything you need me to.

I wanna go where no one has been, I wanna go there withchu.

(I wanna go there.)

Should lick my lips

Oh Yeah Yeah Yeah

Should I grab on them hips

Yeah Yeah

Should I start to do it real slow

Oh Yeah Yeah Yeah

And go where no one else could go

Yeah Yeah

Should I try to make you sweat

Oh Yeah Yeah Yeah

Should I try to take you all the way there

Yeah Yeah

Should I try to make you bust once or twice.

Girl I'm gonna give you bragging rights.

Oh Yeah Yeah Yeah

*[Chorus]*

I wanna go there with you and do all the things no one  
would do.

I wanna go where no one has been, I wanna go there  
withchu.

(I wanna go there.)

I wanna go there with you and give you  
everything you need me to.

I wanna go where no one has been,

I wanna go there withchu. (I wanna go there.)
