I need to explain something to ya, I'm a new man
And I need you to give me a chance
He kept his way back to your nice bedside

Tryin' his best to keep doin' what is right
Every once in a while he ran off and did other things
His true colors came out eventually

It was you, it was her
It was lovin' her
There was truth, there was lies
I'm tryin' to explain to you

One man fell in love with two girls
I wanna make your insevere scure
'Cuz I'm not him
'Cuz I'm not him

I know you're scared to give another your heart
But what you see is what you get from the start
From me, babe

It was you, it was her
It was lovin' her
There was truth, there was lies
I'm tryin' to explain to you

One man fell in love with two girls
I wanna make your insevere scure
'Cuz I'm not him
'Cuz I'm not him

You don't need anybody 'cuz you got me
I know he broke your heart
But he's not me
But he's not me

One man fell in love with two girls
I wanna make your insevere scure
'Cuz I'm not him
'Cuz I'm not him

One man fell in love with two girls
I wanna make your insevere scure
'Cuz I'm not him
'Cuz I'm not him

One man fell in love with two girls
I wanna make your insevere scure
'Cuz I'm not him
'Cuz I'm not him
