Nah, nah normally I don't do this  
Call me, Shawty, now you got me choosing  
And I ain't even mad, I give you everything you never  
had  
Wanna take you to Milan, on the way to Paris  
Buy all you want, it's all on me  
I do this shit for fun  
Baby girl you know I'm number one

[Chorus]

Anything you want girl, it's all on me  
Bring all your friends all the drink's on me  
It's whatever you like girl, no matter the price girl  
You can have whatever cause I need you in my life girl  
You can have this money, you can have this money  
You can spend it, you can spend it,, money  
It's whatever you like girl, no matter the price girl  
You can have whatever cause I need you in my life girl

I'm talking stunting, pushing buttons, hear that engine  
start  
I got you falling deep in love girl I'm the king of hearts  
And you're my queen girl, it's, you need a refill  
Bottles popping, lot of shopping, spend it all on me girl  
Wanna take you to Milan, on the way to Paris  
Buy all you want, it's all on me  
I do this shit for fun  
Baby girl you know I'm number one

[Chorus] X 2

Anything you want girl, it's all on me  
Bring all your friends all the drink's on me  
It's whatever you like girl, no matter the price girl  
You can have whatever cause I need you in my life girl  
You can have this money, you can have this money  
You can spend it, you can spend it,, money  
It's whatever you like girl, no matter the price girl  
You can have whatever cause I need you in my life girl.
