Going outta my mind, keep thinking about you.
Keeping wondering when, I'll see you again.
Can't believe that you're gone,
Everything's all wrong.
Thought that I could live without your love,
But it's just not true, I'm nowhere without you.
I would die if I'm without your touch.
Hurts my heart so bad,

And miss you like mad.
Like crazy, crazy,
And I need my arms around you baby,
And it's hurting so bad.
Please save me, say that you take me back,
Cause I miss you like mad.

Need you back in my life,
I'm so lost without you.
Baby, nothing feels right.
Crying shamelessly at night.
Keep asking myself, how was I so wrong.
Thought that I could make it on my own,

But there's just no way, I can take her heartache,
And the thought of one more night alone,
Makes my heart so sad.

And miss you like mad.
Like crazy, crazy,
And I need my arms around you baby,
And it's hurting so bad.
Please save me, say that you take me back,
Cause I miss you like mad.

I would give anything to get you back.
I would do anything you'd ever ask.
All my world is in your hands,
Give me one more chance,
Cause I miss you like mad.

And miss you like mad.
Like crazy, crazy,

And I need my arms around you baby,
And it's hurting so bad.
Please save me, say that you take me back,
Cause I miss you like mad.
