I love you mama
but I want you to call me
please stay in touch

While I'm alone
I'm wondering where you are
and will we meet again
the time goes by
I still haven't heard from you
and I can't stand being alone

can you understand how I feel
and all I ask of you
is can you

Please stay in touch
so I can feel you still love me
don't you know that I'm the one
who cares
stay in touch
so I can feel you still love me
don't you know that I'm the one
who cares

Thinking of the past
of how we used to laugh joke
arguing who loves who the most

memories in mind
of how you used to tell me you love me
and how much you cared

can you understand how I feel
and all I ask of you is
can you

Please stay in touch
so I can feel you still love me
don't you know that I'm the one
who cares oh mama
don't you know that I'm the one
who cares mama

oh ooh oh ooh oh oh ooh oh ooh oooh oh ooh ohoo

don't you know I love you mama
yeah I'll go on forever
knowin I love my mama
call me oh oh..

oh ooh oh ooh oh oh ooh oh ooh oooh oh ooh ohoo
