Yo check this out
thers alotta cats out here tryna get a deal
theres alotta cats out here making promises and never
following through with em'
I was in the same boat
i feel u
yea, so we gonna reverse this and ask them how they
would feel, yea

How would u like it if
somebody came along
claiming there moneys gone
and they wanna put chu on
all they doing is playing wit chu
they got the money and the deal
but they wont give it to you,
all u tryna do is get this money
a crib for your mommy, a sample from a honey
come through the hood
wit cha 5 or ya 6
or some 21's with some fake niggas on ur dick

Why should i
keep on struggaling
and going through hard times
somebody tell me
where do we go
cuz at this point i cant give up
but itz takin' (foreva, foreva, for)

Stay home until your ribs start showin'
while your next piece ah change is comin' from your
not knowin'
to your friends your always beggin'
now you aint cool
you find yorselldoing things you never do
like stealin', robbin'
Man, you better chill
dam i gotta keep it real
I let the pen do the talkin'
Let the haters keep walkin'
I pray fro the day word gets out, My albums droppin'

Why should i (why, should i)
keep on struggaling
and going through hard times (can you help me)
somebody tell me (ooh)
where do we go (where do we go)
cuz at this point i cant give up
but itz takin' (foreva, foreva, for)
Why should i (why, should i)
keep on struggaling
and going through hard times (can you help me)
somebody tell me (ooh)
where do we go (where do we go)
cuz at this point i cant give up
but itz takin' (foreva, foreva, for)

Yo this is what i told them cats yo

i guess its not about my skills, its about who i don't kno
but thats cool
ima deal wit chu lataz
ima b weighed platinum plus on the regular
whoever wants beef with me
im tryna stack these figures no time for hatin' niggas

(can somebody tell me)

Why should i (why, should i)
keep on struggaling
and going through hard times (can you help me)
somebody tell me (ooh)
where do we go (where do we go)
cuz at this point i cant give up
but itz takin' (foreva, foreva, for)

Why should i (why, should i)
keep on struggaling
and going through hard times (can you help me)
somebody tell me (ooh)
where do we go (where do we go)
cuz at this point i cant give up
but itz takin' (foreva, foreva, for)

all i gotta do is keep on going
