Come on and taste my love
It's you i'm thinking of
Baby don't you be afraid
I will guide you all the way
Come on and taste my love
It's you I'm thinking of
I got what you're looking for
There's no need to look no more
Have you ever had someone
Make love to your mind
It's all good baby baby
I'll treat you like a lady
I'll take my time so you know
There's no rush we'll take it slow
We've got all the time in the world
Ooh baby don't pass up this chance for romance girl
I've got something sweeter then candy
Baby don't you worry bout a thing
Come on and taste my love
It's you i'm thinking of
Baby don't you be afraid
I will guide you all the way
Come on and taste my love
It's you I'm thinking of
I got what you're looking for
There's no need to look no more
Are you ready for the real thing
Cause I'm not coming up short
There's no doubt it will not work babe
Just one taste and you'll beg for more
Cause my love is all you need
Baby don't you worry bout a thing
Ooh baby don't pass up this chance for romance girl
I've got somthing sweeter than candy
(sweeter than candy
Sweeter than honey
Sweeter than sugar)
Baby don't you worry bout a thing

Chorus Fade out..
