[R.L.:]

Yeah this is for my brothers in the hood
And the high risers, on the mansions with the maids
We gotta come together, come on y'all
Case, Ginuwine, Tyrese, and me R.L.
Help me sing it fellas, yeah

[Case:]

I'm sitting here alone
Trying to face another day
Gotta stay strong, hmm
To endure this pain

[R.L.:]

I'm dealing with right now
It flipped my whole life upside down
I don't want your help
I don't need your sympathy, no

[All:]

What can a brother do for me?
(See he can you help you up when you are down)
What can a brother do for me?
(He can be your eyes when you can't see)
What can a brother do for me?
(He can help me be the best man I can be)
(Oh I can be, I can be, oh I can be, I can be)
He can help me be the best man I can be
(Oh yeah, yeah, yeah)

[Tyrese:]

(Be the best man)
I made a big mistake
And I'm feeling so ashamed
And I don't want to lose my friendship over it
I've gotta keep the faith, yes I do

[Ginuwine:]

Cause I'm still your boy, I've got your back
That'll never, never, never, never gonna change
So I can just cite the truth
And keep smiling in your face

[All:]
What can a brother do for me?
(He can you help you up when you are down)
What can a brother do for me?
(He can be your eyes when you can't see)
What can a brother do for me?
(He can help me be the best man I can be)

[Tyrese:]
I keep struggling but I'm trying my best
I got some issues with my own confidence
Lord help me to forgive and forget
Can you please help me to be a better man?

[R.L.:]
For the rest of the darkest nights
Shines the brightest sun
I hate the man I used to be
I'm better than before

[All:]
What can a brother do for me?
(He can you help you up when you are down)
What can a brother do for me?
He can help me be the best man I can be
(I can be, I can be, I can be, I can be)
He can help me be the best man I can be
(I can be, whoa I can be, oh I can be, oh I can be)
Help me be the best man I can

[R.L.:]
Cause he's my brother, brother, brother, brother
You can count on me, sing it
Case, Tyrese and G, you are my brother, brother,
brother

[Tyrese:]
R.L oh my brother
All across the world, my brothers yeah
I love you
