(feat. Lil' Jon)

[Lil' Jon:]

Hey! It's ya boy, Lil Jon right.
(Yeah) I got my dog Tyrese in here with me...
And he just got a little something to tell?
All the ladies out there.

Let's go!

Going back and forth, what we talkin' bout.
Keep tippin' around the subject?
So I'm gonna go right on out and say,
If anybody got what you need, girl it's me.
Oh baby, girl it's me. Please believe.
And I'm trying hard to show how much I want you.
Need a man for the job, yeah.
You said you need someone to do (bring your body),
So baby bring that body close to me.

Want to be the one to know ya (the one to know ya),
The one to show ya (the one to show ya),
Shorty i'm trying to turn ya out.
Trying to be the one to see ya (the one to see ya),
The one to freak ya (the one to freak ya),
Shorty i'm trying to turn ya out.

I wanna be the one to, give your body what it needs.
(what it needs)
Can't you hear me lady (lady), talking to you baby.
I wanna be the one to grab that (the one to grab that),
The one to have that (the one to have that),
Shorty i'm trying to turn ya out. (ooooh)

I can feel your heart is getting cold,
See your body right there, I wanna go.
All you gotta do to make it right, is call on me.
I got that thug love (thug love), put you up against the
wall
And give me that thug love (thug love).
Baby, I wanna be?
Wanna be the one you think of (when you feel like

doing it all),
Wanna be the one you reach for (whenever your body
calls),
Wanna be the one to lay (your body down tonight),
Wanna be the one to take you, wanna be the one to
show you.

The one to know ya, (I wanna show ya) the one to show
ya,
Shorty I'm trying to turn ya out.
Trying to be the one to see ya (the one to see ya)
The one to freak ya (the one to freak ya)
Shorty I'm trying to turn ya out.

I wanna be the one to, give your body what it needs.
(what it needs)
Can't you hear me lady (lady), talking to you baby.
I wanna be the one to grab that (the one to grab that),
The one to have that (the one to have that),
Shorty I'm trying to turn ya out. (ooooh)

(Girl you need to make it be love?.love?love)
When you can't sit still baby,
And you don't know why baby (oooh)
(Girl you need to make it be?.love?love)
When you can't make me baby,
And your feeling tired baby.
(And I think it needs to be love?love?love)
Baby girl you know, everybody needs somebody to
love.
(Girl you need to make it be love?love?love)
Girl I'm just a phone call away
Baby let me be the, let me be the one.

The one to know ya,
The one to show ya,
Shorty I'm trying to turn ya out,
(I don't want to be the one)
The one to see ya,
The one to freak ya.
Shorty I'm trying to turn ya out,

I wanna be the one to, give your body what it needs,
Can't you hear me lady, talking to you baby.
I wanna be the one to grab that (one to grab that),
The one to have that (the one to have that),
Shorty I'm trying to turn ya out.

[Lil Jon]

Yeah? Shorty I've been trying to turn ya out,
You know what I'm saying.

I wanted to from the first time I saw you.
I said ?I gotta have that?
I do whatever it takes to turn you all the way out.
To make you mine. You know what I'm talking about?
(Yeah) I don't wanna be the one to grab that, to have
that,
I'm just trying to turn ya out, baby. Hey!
