Forgive me
'cause i come to you more than i give back
Why am i on my knees prayin a ..again
Asking for more and more and more
Without recognizing the blessings I've already received
So now i say to you Father good ..thank you
People are inspired by your transparency
Your walk is way more inspiring than your talk ..
Walk

I ask God for clarity so that He can reveal things to you
that you would never be able to see with your own eyes
God will never give you something somebody else is
supposed to have
So your jealousy your envy and insecurities
about somebody's else's blessings
Should ..because it ain't jewels
Walk
I bet everything on the wedding ring
I'm married to God so therefore our marriage is work in
progress
Faith is climbing invisible stairs
I pray that God blesses to find comfort and discomfort
Give me the strength to walk until the unfamiliar
We should always expect the things that you accept
from me
If i accept your disrespect then it's expected to you to
continue walk
If i make you uncomfortable with my bottle of wine
don't cross it
You can often tell how far your life and career will go
Based on the fire people you spin the most time
So therefore i am a direct reflection of my
surroundings
Yes, i used to be .. people say Tyrese you've changed
Well, actually i have

Walk with me, walk with me, walk with me ooh
Walk with me, walk with me, walk with me ooh
Walk with me, walk with me, walk with me ooh
Ooh, walk with me, walk with me ooh
