Forgive me  
'Cause I come to you more than I give back  
Why am I on my knees prayin yet again  
Asking for more and more and more  
Without recognizing the blessings I've already received  
So now I say to you Father God... thank you  
People are inspired by your transparency  
Your walk is way more inspiring than your talk with God  
Walk

I ask God for clarity so that He can reveal things to you  
that you would  
Never be able to see with your own eyes  
God will never give you something somebody else is  
supposed to have  
So your jealousy and envy and insecurities about  
somebody's else's  
Blessings  
Shouldn't be because it ain't yours  
Walk  
I bet everything my wedding ring  
I'm married to God so therefore our marriage is work in  
progress  
Faith is climbing invisible stairs  
I pray that God blesses to find comfort in discomfort  
Give me the strength to walk into the unfamiliar  
You should always expect the things that you accept  
from people  
If I accept your disrespect then it's expected of you to  
continue walk  
If I make you uncomfortable with my bottom line don't  
cross it  
You can often tell how far your life and career will go  
Based on the five people you spin the most time with  
So therefore I am a direct reflection of my  
surroundings  
Yes, I used to be in fear of people saying Tyrese you've  
changed  
Well, actually I have

Walk with me, walk with me, walk with me ooh

Walk with me, walk with me, walk with me ooh  
Walk with me, walk with me, walk with me ooh  
Ooh, walk with me, walk with me ooh
