Yeah, heh, all these I've wanting you in my life,  
And now I finally have you.  
I'm a do everything in my strength to keep you near.  
I care about you, I just want to make you smile.

All the many days you were on my mind,  
Visions of me with you, all the time.  
You wasn't looking for a man, you made it clear(clear  
to me).  
And now I'm ever so glad that I have you near.  
Here in my life, just you and I.  
We can do whatever we want to.  
I'm living my life with you by my side,  
One day I'm a make you my wife, baby.

I was excited, cause I was falling, falling in love with  
you.  
Now that I've fallen, what am I gonna do.  
I was excited, cause I was falling, falling in love with  
you.  
Now that I've fallen, what am I gonna do.

I'll do whatever puts a smile on my baby's face.  
Girl you're my best friend and you can never be  
replaced.  
There's nothing in this world I wouldn't do for you.  
You were one of my baby dreams and I'm so glad that  
it came true.  
Here in my life, just you and I.  
We can go anywhere we want to baby.  
I'm living my life with you by myside,  
One day I'm a make you my wife, yes I am.

I was excited, cause I was falling, falling in love with  
you.  
Now that I've fallen, what am I gonna do.  
I was excited, cause I was falling, falling in love with  
you.  
Now that I've fallen, what am I gonna do.

Since I gave you all my trust(and you never take my

trust for granted),  
And you given so much love(and you've given me so  
much love, baby).  
You're everything I want and need(everything that I  
want and I need, baby)  
Girl you got the best of me(oh, you got the best of me)  
Break it down, oh, oh I was falling in love.  
I dunno what to do, I
