(feat. Manny Fresh)

You niggas is about to witness some next level shit
Black-Ty, Mannie Fresh
Hey lets go man

Yo, Freshly Snipes and Black-Ty, on your ass
One more time, bring it nigga, hey!

[Black-TY]

Said you wanna be a baller
More than likely all the niggas in the hood wanna be
just like me
Dress just like me
Push up in a whip this pricey
Keep up a hoe stash and call them all wifey
Watch me get busy when they come to this mic shit
I talk shit
I'm quick to back it up with the quickness
And you wanna try to put me to the test
I'ma take over the South with my nigga Mannie Fresh
And yes, he was exposed to Black-Ty
Got in right away, next day, press play
The rest is history
Man I'm feelin unstoppable like O.J. in his prime
Pushin through the front line
So move bitch
I keep a lotta hoes cuz I'm smooth bitch
Even niggas thats been rollin w/ Mannie for years
Is mad that they didnt get a track like his

[Mannie Fresh]

Hey nigga (hey nigga), what it is (what it is)
If you wanna live longer mind your biz
Cuz a mind is a terrible thing to waste
And a 9 is a terrbile thing to face
Shut the fuck up, turn up the bass
Now move mother fucker, get out my space
Hey shawty (hey shawty), really though (really thought)
If you wanna fuck with me let me know (let me know)
Because a mind is terrible thing to waste
And a 9 is a terrible thing to face

Shut the fuck up turn up the bass
Now move mother fucker get out my space

[Black-TY]

Now I know you never heard it quite like this
Cuz the beat in the trunk and the flow so sick
From the west coast to down south
They keep Black-Ty in their moutch
Cuz they know what I'm about
I aint about no games
I got 14 years in the game
And its all the same
I see a bunch of new-money niggas
Shoppin in the mall
Showin off with their ran-through broads

I feel sorry for you niggas
You dont know know better
Still wet behind the ears
trickin off the cheddar
Thinkin that you're ballin man
You better watch it
They'll get ya for your money man

[Mannie Fresh]

Hey nigga (hey nigga), what it is (what it is)
If you wanna live longer mind your biz
Cuz a mind is a terrible thing to waste
And a 9 is a terrbile thing to face
Shut the fuck up, turn up the bass
Now move mother fucker, get out my space

And a 9 is a terrible thing to face

[Black-TY]

Do you really wanna see me disappearin like Hudini
Go tell Asini to come see me
I'm Black-Ty fo-sheezy
And I aint laughin homes
When Black-Ty come on its like a danger zone
I aint changed, I just changed my name and added a
hyphen
Stop claimin to be a real MC when you aint writin
I came to make you step your ball game up
I stay shinin so you better step your card game up
So move bitch
Of course I keep a lot of hoes cuz I'm smooth bitch

Even niggas thats been rollin w/ Mannie for years
Is mad that they didnt get a track like his

[Mannie Fresh]
