Met shawty at the club, got a cute smile like what's up?
Let's get something to eat, we ain't got to fuck,
But I'm a dog so you know I want to fuck.
Damn, ma, damn well like the ocean. Add that with the
motion.
Put that back, we don't even need a lotion.

Who's touching you, babe?
Who's gonna hold you down and fuck you like I do,
babe?
Say who's touching you?
I'm an R&B thug, I don't wanna make love,
Tonight imma bury me inside of you, babe.

With you is something different, you ain't really be
rifting,
Accept the nigger for who it really is,
Down like it is what it is.
Can't skip out of line, imma shake it,
Your hand is in mine, so we gon' respect it.
Hype, motherfucker, watch your mouth,
You don't know what this is about.

Who's touching you, babe?
Who's gonna hold you down and fuck you like I do,
babe?
Say who's touching you?
I'm an R&B thug, I don't wanna make love,
Tonight imma bury me inside of you, babe.
This bitch was like yuurk, me and shawty will play you
And in the bed I'm a beast, she like this
"I want you to fuck me like you fuck those"
Got a problem? I got that all day. I bang bitches from
Wall burton to Broadway.
And this all ain't the same. "girl, dog is off the chain."

Who's touching you, babe?
Who's gonna hold you down and fuck you like I do,
babe?

Say who's touching you?
I'm an R&B thug, I don't wanna make love,
Tonight imma bury me inside of you, babe.
Who's touching you, babe?
Who's gonna hold you down and fuck you like I do,
babe?
Say who's touching you?
I'm an R&B thug, I don't wanna make love,
Tonight imma bury me inside of you, babe.

Do you understand what that means?
Means that we're gonna make another, baby.
