Every time I look into your eyes  
I feel your pain, baby  
I never thought I had to ever be  
Without you in my life  
Oh no

I know I was wrong  
For taking you for granted, oh no  
I wanna do you a favor  
By getting out your life  
I've been doing you wrong  
So you gotta get on with yours

You get yours  
And I'll, I'll get mine  
Baby, you get yours and I'll get mine  
You get yours  
And I'll, I'll get mine

I'll see you going out your way to call  
Don't waste your time, baby  
Obviously you have made the wrong choice  
Getting with me  
So you got to let it go baby

I know I was wrong  
For taking you for granted oh no  
I wanna do you a favor  
By getting out your life, babe  
You gotta let it go

You get yours  
And I'll, I'll get mine, baby  
You get yours  
And I'll, I'll get mine

Your too good for me  
You deserve better  
Maybe this wasn't meant to be  
There's no need to work this out  
You and me, you got to let it go baby

You get yours  
And I'll, I'll get mine, baby  
You get yours  
And I'll, I'll get mine

You get yours  
And I'll, I'll get mine  
You get yours  
And I'll, I'll get mine  
Ohh, babe  
You get yours  
You get yours  
You get yours

You get yours  
And I'll, I'll get mine  
You get yours  
And I'll, I'll get mine  
You get yours  
And I'll, I'll get mine
