Woah, Woah.....You dont Give A Damn, About me
Do Do do do, do do do, do do do do do, do do
You've Got Some nerve, To Call Me after All This time,
and Expect Me To Be Cool, What The Hell Is Wrong With
You?

Cant Just Pop Up Out Of The Blue,
Baby That Aint How You Do,
Someone that You Clamin That you Love So True...

You Dissappeared And things (I Dont Play That)
I Know Your Phone aint off, (cause I payed that)
Am I Okay With It? Please Beleive It,
Cause I Dont Need It!

Why'd you Call Me? (Baby)
If you dont Give A damn About Me,
Lets See How You Do Without Me,
Why You Tryin to Be Where I Be?
When You Dont Give A Damn About Me

Whatever You Do, Go On And Do Your Thing,
But In The Mean Time, Keep One thing In Mind,
The Way You Dress, The Way you Drive,
Is All Because Of me , Now Its Over,
Babe I Hope your Happy,

You Dissappeared And things (I Dont Play That)
I Know Your Phone aint off, (cause I payed that)
Am I Okay With It? Please Beleive It,
Cause baby I Dont Need It!

Why'd you Call Me? (Baby)
If you dont Give A damn About Me,
Lets See How You Do Without Me,
Why You Tryin to Be Where I Be?
When You Dont Give A Damn About me.

You Call Me Like Im Supposed To Be Alone,
But I Moved On So Stop Wastin' Time,
You Should Know By Now Ive Got someone In My Life,
You're the Last Thing That Crosses My Mind,

Why'd you Call Me? (Baby)
If you dont Give A damn About Me,
Lets See How You Do Without Me,
Why You Tryin to Be Where I Be?
When You Dont Give A Damn About me.

Break It On Down, Break In On Down,
Woman I Cook and I Clean, (Baby)
You Know What I mean,
I Buy You everythin
