His bubble gives me the shakes  
The ozone makes this bubble bake  
These leather hydes, have plastic lives  
I've turned to stone in a city quake

Tear down these walls of the crunch  
My lust to live is bankrupt  
The orange crunch is bottled up

Behind the curtain they're all fake  
This water gives me cavities  
This place is bland no seasonings  
I'm loitering the screws take me away

Tear down these walls of the crunch  
My lust to live is bankrupt  
The orange crunch is bottled up

An 8 point 8 Earthquake  
An 8 point 8 Earthquake  
An 8 point 8 Earthquake  
An 8 point 8 Earthquake

That's what we need
